Did You Know?

High school may be a time when teenagers begin to think about dating, making communication between teens and their parents even more important. Consider having an open, honest conversation with your teen about dating and appropriate relationships. Talk about what they want out of a relationship, and what their values are. Make sure they know how to communicate what they feel comfortable with, and what makes them uncomfortable. Talk with them about Catholic morals, and make sure they know you are always available. To request a copy of the VIRTUS article "Talking With Your Teen About Dating Safety", e-mail: jvienna@la-archdiocese.org or call (213) 637-7227.
