Christian Life Program For Singles Has Begun:

Did You Know?

Many popular social media sites offer users the ability to tag or share their locations whenever they post. Depending on the site, this information can be shared with friends, followers and other people who use the site, regardless of whether they are friends with the user or not. Location sharing is a tool that can be used by predators searching for potential victims. Parents and children need to have open discussions about providing information online, highlighting what is safe to share and when it is safe to do so. As a general rule, widespread location-sharing should be discouraged. For more information about how to help your children understand who can see what they post and share, request a copy of the VIRTUS online article "Technology Safety", by emailing: jvienna@la-archdiocese.org or calling (213) 637-7227.

Usted encontrará esta informacion en Español en la tabla de anuncios que se encuentra al Esta del Vestibulo de la iglesia.

Our Singles for Christ ministry invites all unmarried young adults, ages 18-40) to this program that began Friday, Sept. 15th at 7:30 and runs for ten weeks. Listed to empowered speakers presenting topics fundamental to the Christian faith and engage in discussion to learn how to apply them to your daily life. Look for them in the Parish Hall and adjacent classrooms.
